**Dean Carter — Senior Security Consultant, QSA**

26/11/2013

1. Confide Limited has issued this certificate to indicate that the aforementioned company has been assessed against the requirements of the Payment Card Industry (PCI) Data Security Standards (DSS) validation methods and were found to be PCI DSS compliant on the date of issue only, no other guarantees given.
2. This certificate of compliance is deemed valid if produced in conjunction with a clean external vulnerability scan. (A clean scan report demonstrates no level 3,4,5 vulnerabilities are present).
3. This certificate is subject to compliance as laid out within the various card organisation compliance programs.
4. The certificate offers no guarantee or warranty to any third party that the company is invulnerable to attack or breaches in its Security, and Confide Limited accordingly accepts no liability to any third party in the event of loss or damage of any description caused by failure in or breach of the assessed organisation's security.
